Assignment: Abstract Name Drawing
Eighth Grade

Self Evaluation:

Fill-out this form and return it with the artwork to the correct "To Be Graded" drawer.

How well did you meet the following criteria:

Circle a number (1-5), for each category, based upon your commitment and achievement during this project. For example, a (1) indicates that no effort was made and a (5) indicates that you put forth your greatest possible effort and achieved your desired results. Following your circled number, you must write a 3-4 sentence reason, or rationale, for the points that you awarded yourself (Tell me WHY you feel that you deserved those points). Be fair to yourself. I will consider your thoughtful completion of this form when assigning a grade to the project.

1. I created at least two thumbnail sketches that incorporated my name using block or bubble letters, along with objects that describe me as a person.
