**Assignment: My Favorite Things**  
Seventh Grade

**Self Evaluation:**

Fill-out this form and return it with the artwork to the correct "To Be Graded" drawer.

**How well did you meet the following criteria:**

Circle a number (1-5), for each category, based upon your commitment and achievement during this project. For example, a (1) indicates that no effort was made and a (5) indicates that you put forth your greatest possible effort and achieved your desired results. Following your circled number, you must write a 3-4 sentence reason, or rationale, for the points that you awarded yourself (Tell me WHY you feel that you deserved those points). Be fair to yourself. I will consider your thoughtful completion of this form when assigning a grade to the project.
