

Name _____

Period _____

Assignment: Money Money Money
Seventh Grade

Self Evaluation:

Fill-out this form and return it with the artwork to the correct "To Be Graded" drawer.

How well did you meet the following criteria:

Circle a number (1-5), for each category, based upon your commitment and achievement during this project. For example, a (1) indicates that no effort was made and a (5) indicates that you put forth your greatest possible effort and achieved your desired results. Following your circled number, you must write a 3-4 sentence reason, or rationale, for the points that you awarded yourself (Tell me WHY you feel that you deserved those points). Be fair to yourself. I will consider your thoughtful completion of this form when assigning a grade to the project.

1. I created two thumbnail sketches that showed different designs for my money. I was creative and tried multiple solutions that would create a successful piece.

1 2 3 4 5

Explanation: _____

2. After completing the sketches, I chose a design and carefully drew the money on a large (8x18") piece of paper.

1 2 3 4 5

Explanation: _____

3. After lightly drawing the money on the paper, I erased all stray lines and added more detail to the piece, including serial numbers, the denomination of the bill, various drawings, etc.

1 2 3 4 5

Explanation: _____

4. To complete the money design, I colored the bill and shaded areas that needed special attention. If I had available time, I also designed the backside of the bill.

1 2 3 4 5

Explanation: _____

Add your points together to receive the total number of points for the assignment: _____

Be sure that your name and period are written on the back of your work return it, stapled to this form, to the "To Be Graded" drawer.
